

## Green program

### Canoe Safari on the river Trebižat

The excursion begins at the bathing-place Božjak and ends in Struge near Čapljina city. The length of the track is 12 kilometers.

With all instructions and equipment, you get from the organizers (helmet, sneakers, waistcoat, paddle, waterproof barrel) guided by the instructor's experience, you'll quickly and easily learn how to manage a canoe and a paddle. On the halfway of the route we will make a stop where tourists can relax at lunch and enjoy playing various games, such as badminton, beach ball, beach volleyball, darts.

#### Highlights

- Adventure in paradise
